THE SPACE

Bring your office and training requirements together at the Stellantis Building in Midrand. This two-storey property combines a corporate office environment with dedicated learning and technical training spaces. A reception area, collaborative workspaces and a canteen complement the training facilities, creating a versatile setting for businesses exploring office accommodation with a training component. Size: 2,183 m². Contact Boitumelo Nkuna for current availability and viewings. Photography: Stellantis / MediaWire, July 2023. Current layout, fit-out...
